

Aniket Agarwal

Lucknow, India | Phone: +91 9453267337|

Email: aniketchess0231@gmail.com

Dynamic and driven full-stack developer passionate about pushing the boundaries of web and app technology. Specializing in front-end development, I excel in creating sleek, responsive applications that seamlessly blend user interfaces with robust functionality. With a strong background in Artificial Intelligence and Machine Learning, I offer a unique approach to problem-solving and innovation in digital projects.

An enthusiastic networker, I actively seek new opportunities and thrive in collaborative environments. I am open to exploring career prospects that allow me to utilize my diverse skill set and contribute to impactful projects.
